

Natural Hair Styling Application

Read the instructions carefully before completing the application. Incomplete applications will be returned, delaying licensure. Any omission, inaccuracy or failure to make full disclosure in an application or supporting documentation may be deemed sufficient reason to deny a license, or, if a license is issued could result in the suspension or revocation of a license.

What does the practice of Natural Hair Styling cover?

The practice of Natural Hair Styling means providing for a fee (or any consideration or exchange, whether direct or indirect), any of the following services to the hair of a human being: shampooing, arranging, dressing, twisting, wrapping, weaving, extending, locking or braiding the hair or beard by either hand or mechanical appliances. Such practice shall not include cutting, shaving, or trimming hair except that such activities are permissible to the extent that such activities are incidental to the practice of Natural Hair Styling. Such practice shall not include the application of dyes, reactive chemicals, or other preparations to alter the color or to straighten, curl, or alter the structure of the hair. Techniques which result in tension on hair roots such as certain types of braiding, weaving, wrapping, locking and extending of the hair may only be performed by a Natural Hair Styling or cosmetology licensee who has successfully completed an approved course of study in such techniques.

Who must apply for a Natural Hair Styling license?

Any person practicing Natural Hair Styling as described above is required by law to have a Natural Hair Styling license. A Natural Hair Styling license will not permit you to operate a business; a separate business application must be completed and a separate business license obtained.

What qualifications and supporting documents do I need to apply for licensure?

If you are at least 17 years old, you may apply for a Natural Hair Styling license based on:

1) New York State Education and Examinations (eligible for temporary license)

You must complete a 300-hour, New York State approved course of study and pass both the New York State written and practical examinations to get a license to operate in this state.

As proof of successful completion of schooling, you must have the **Affirmation of New York State Approved Schooling** section of the application completed by your school director.

After your application is reviewed and accepted, you will receive information that explains the exam process in detail.

2) Education Outside of New York State (eligible for temporary license)

We may waive the New York State schooling requirement if you can document an equivalent level of schooling from another state or country. You must submit all three of the following documents (foreign language documents must be accompanied by an English translation certified true and accurate by the translator):

- (1) a school certificate;
- (2) a school transcript listing subjects and hours completed; **AND**
- (3) a current, original Certification of Licensure from your state board **or, if not licensed**, a current Certification from your state's board verifying the hours claimed.

After your application is reviewed and accepted, you will also be required to pass both the New York State written and practical examinations to obtain a Natural Hair Styling license in this state. You will receive information that explains the exam process in detail.

3) Experience: 5 Years Outside of New York State

Any individual having five years of legal experience in an occupation equivalent to Natural Hair Styling may apply for a New York State license by submitting satisfactory evidence of education and experience.

Evidence may include but is not limited to:

- (1) original certifications from licensing agencies and two experience statements;
- (2) copies of passports which indicate occupation of individual;
- (3) tax returns (which indicate occupation);
- (4) letters from employers;
- (5) practical and written examination results; and
- (6) course curricula

Such evidence must be presented in legible form and in English. If a translation is provided, it must be certified as true and accurate by the translator.

After your application is reviewed and accepted, you may obtain a Natural Hair Styling license in New York State without examination or further education.

4) Endorsement

An applicant who holds a Natural Hair Styling license in another jurisdiction may obtain a Natural Hair Styling license in New York through endorsement without examination or further education. Refer to our website www.dos.ny.gov for a Natural Hair Styling endorsement list to determine if you qualify for licensure based on endorsement.

An applicant must submit an original certification from the jurisdiction where s/he holds an equivalent license.

5) Previous New York State Licensure

An individual who fails to file an application and fee for renewal within five years of the expiration date cited on the individual's license shall be ineligible for such license until he/she passes a written exam. Proof of previous licensure may be required.

Can I take my written examination in a foreign language?

If you attended a New York State school whose curriculum was approved to be taught in English, you will be issued an admission notice to take the written exam in English.

However, you may be allowed to take a translated examination (if available) if you attended a New York State school where the curriculum was approved to be taught in a language other than English and you completed this approved foreign language course.

How will I know if I have been approved to take a translated examination?

If you are approved for a translated examination, you will receive an admission notice advising you of the date, time and place to appear for your foreign language examination.

I am a licensed Barber in New York State. Do I qualify for a Natural Hair Styling license?

If you are a duly licensed Barber in New York State, you may apply for a Natural Hair Styling license without additional education or examination. Simply submit this application and \$40 application fee.

Can I work before passing the state exams?

Yes. Two six-month temporary licenses are available to applicants who want to work while completing the examination process. Only applicants applying based on New York State or out of state education are eligible for a temporary license. Applicants may apply for a temporary license extension once they have passed the written examination. Once you pass both examinations, a four-year license will be issued.

What are the fees and terms of licensure?

\$40 - Original application license fee (for all applicants). For those applicants who are not required to pass the examinations (e.g., applying based on five years of legal experience or as a licensed Barber), this is the only fee that is required.

\$10 - Six month temporary license fee.

\$10 - Six month temporary license extension fee (separate application).

Please Note: If applying for an original application and a temporary license, you may submit one \$50 application fee. Separate application fees are not required.

The term of licensure is four years. The term for a temporary license is 6 months.

\$15 - Exam fee (to be collected at the exam site for each administered exam).

What forms of payment do you accept?

You may pay by check or money order made payable to the Department of State or by MasterCard or Visa, using a credit card authorization form. Do not send cash. **Application fees are nonrefundable.** A \$20 fee will be charged for any check returned by your bank.

Do I need a physical to be licensed?

Yes. You need to be examined by a physician, physician's assistant or nurse practitioner to apply for a license in Natural Hair Styling. Your **physician, physician's assistant or nurse practitioner** must complete and date the Health Certification section of the application. You must submit your application within 30 days after the certification is signed and dated.

Do I need to complete the Child Support Statement section of the application?

Yes. A Child Support Statement is mandatory in New York State (General Obligations Law). The law requires you to complete this section — regardless of whether or not you have children or any support obligation.

Any person who is four months or more in arrears in child support may be subject to having his or her business, professional and driver's licenses suspended. The intentional submission of a false written statement for the purpose of frustrating or defeating the lawful enforcement of support obligations is punishable under §175.35 of the Penal Law. It is a class E felony to offer a false instrument for filing with a state or local government with the intent to defraud.

PRIVACY NOTIFICATION

Do I need to provide my Social Security and Federal ID numbers on the application?

Yes. The Department of State is required to collect the federal Social Security and Employer Identification numbers of all licensees. The authority to request and maintain such personal information is found in §5 of the Tax Law and §3-503 of the General Obligations Law. Disclosure by you is mandatory. The information is collected to enable the Department of Taxation and Finance to identify individuals, businesses and others who have been delinquent in filing tax returns or may have underestimated their tax liabilities and to generally identify persons affected by the taxes administered by the Commissioner of Taxation and Finance. It will be used for tax administration purposes and any other purpose authorized by the Tax Law and may also be used by child support enforcement agencies or their authorized representatives of this or other states established pursuant to Title IV-D of the Social Security Act, to establish, modify or enforce an order of support, but will not be available to the public. A written explanation is required where no number is provided. This information will be maintained in the Licensing Information System by the Director of Administration and Management, at One Commerce Plaza, 99 Washington Avenue, Albany, NY 12231-0001.
